

South Penn Road Runner Club

The February meeting was held today.

We will be timing a run on March 17th at Codorus state park. We can always use help with the clock. Reply back or contact Jim if interested in helping. Race details are on the club site under local races.

We have a couple other request to time events. May 19th at Cross Keys for Bark in the Park and Oct. 13 in Gettysburg for Breast Cancer 5K. If anyone can help with these please let me know.

There are a few additions to the club calendar. Run for the Park 5K will be Aug. 4th and Good Ole Days 5K will be Aug. 18.
