

The March meeting was held today.

Kid's night has approval for May 23rd at the South West Track. Info is on the club website.

We have lined up volunteers to time several more events this year. They will be listed on the club calendar. We can always use help with the clock. Reply back or contact Jim if interested in helping.

The April meeting date is incorrect on the club calendar. It will be April 15th.

May 1st will be the first summer series run. Hope to see you all there.

Spring must be here soon,

Kev
