

## Summer Series Race #1 Long Arm Dam, May 16, 2017

Results are in for the 1st Summer Series run of the year. See below. This was a 5 mile run at Long Arm dam. Handicaps were calculated from last year or recent times for new participants. Next Summer Series run will be at the South West track in 2 weeks.

Some other dates to note.

1. May 24th is Kids Night at the Races. Also at SW track. We can always use volunteers. Event starts at 6:30 and we start to set up at 5:30.
2. May 27th we will be timing a 5K at Codorus State Park band shell area.
3. Sept 23 is Trails 4 Tails. We can always use runners and volunteers. This year I am short staffed at the clock to record times. If anyone can help during the day, please let me know.

Thanks to all that helped tonight.

Kev
