

**Summer Series race #1**  
**Long Arm Dam, May 7, 2019**

First run of the Summer Series is a wrap. It was a warm but clear evening for the handicap run. Handicaps were determined from times at last years runs then subtracted from this years actual times. Results below. Thanks for all who helped.

In two weeks we will meet at South West track for a 2 mile team run.

Hope to see you there.
