

Summer Series race #2
Southwestern HS, May 21, 2019

Hello all,

A nice evening for a run. Below are results from the team run. Each member ran 2 miles. Teams were generated at random and team members times were combined to determine place.

Next run is in two weeks at Codorus State Park, Marina Road, by the disc golf course. That will be a 3 mile predicted time run.

Thanks to all that helped.

KeV
