

Summer Series #4, 2017

Shepard Myers Dam 4.5 mile team run

It was a nice evening to run and we had a good turn out for a team run at Shepard Myers dam. Teams were determined by random card draw and team members times were combined to determine standings. With an odd number of runners, one person was their own team and their time was doubled for results.

Next run is in two weeks at the South West cross country course.

Thanks to all who helped.

Kev

Runner	Actual Time	Combined Time	Place
Mike Flaherty	0:36:22
