

## Summer Series Race #4, July 16, 2020

Hello all,

The fourth Summer Series run was held as an actual run tonight. This was a 4.5 mile team run at Shepard Myers dam. Team were determined randomly and times were added to get results, see below. We had some runners do the virtual option and some show up for the run. Several of the runners started individually and kept their own time. That helped with the social distancing and we encourage that for future runs.

The next run is in two weeks and is scheduled for South West Cross Country course. We are checking to see if we can hold the run there. Will update when I announce that run.

The Good Ole Days 5K is still scheduled for August 15. Will post the application on the club site as soon as it is available. Thanks to all who participated and helped.

Kev

Runner		Time	Team Time	Place
Hawn	Kev	0:40:31	1:15:52	1
McGillvray	Eric	0:35:21		
Dodd	Pete	0:35:14	1:23:14	2
