

**Summer Series #6, July 23, 2019**  
**Yingling Drive, Handicap Start**

A nice evening and a nice turn out for the run tonight. This was a handicap start, so we staggered the start and at the end the order of finish is used to determine the series results. Tonight's results below. We meet again in 2 weeks at Hanover High School for a 3.25 mile predicted time run. Thanks again to all that helped.
