

Summer Series #7 August 6, 2019
Hanover High 3.25 mile predicted time

A warm night for a run, but it is August in PA. Results are below. This was a 3.25 mile predicted time run. We used % difference in times to determine results. The final run of the series will be in two weeks at the Codorus Park Band Shell area. That will be a 4 mile team predicted time run.

Thanks to everyone.
